IPL Batting Aggression (2008–2024)

Toss Win → Match Win Rate by Venue

KEY FINDINGS

- **Venue matters.**
 - While the overall toss advantage is close to **50.8%**, some venues, such as **Maharashtra CA Stadium** show noticeably higher conversion rates.
- **Batting has become more aggressive.**
 - Powerplay scoring has increased substantially over the years, reflecting the IPL's shift toward attacking batting strategies.
- **Modern teams have been remarkably efficient.**
 - **Gujarat Titans** achieved the highest all-time win rate (**62.2%**) despite being one of the newest franchises.
